

XPLORE™ CARRYING HANDLES AND STRAPS

ACCESSORY SPECIFICATIONS

Whether workers are in the field or on the shop floor, Xplore offers tablet carrying accessories that enhance their productivity. Balancing the tablet and entering data are easier with the Rotating Hand Strap G2, featuring a cushioned, adjustable strap that keeps the Xplore tablet secured to the user's hand. The Top Handle makes it easy to carry your tablet from place to place, with a convenient pen, coil tether, and pen slot. Add a shoulder strap to the Top Handle when the user's hands need to be free.
